

Proposal from Yakut TESOL to TextESOL V

On behalf of the signed Partnership Agreement of July 14, 2008 in the city of Yakutsk, Republic Sakha (Yakutia) between TextESOL V and Yakut TESOL, the Board of Directors of Yakut TESOL is proposing the following actions for 2009:

1. Yakut TESOL is interested in finding a school/university in Dallas, TX where students of 18-24 from Yakutia can take English summer courses. We plan to organize approximately 30 students who will be able to pay for tuition, meals, transportation, and other needed stuff. The total amount could be estimated as \$3,000.00 (negotiable). We are interested to host students in TextESOL V families if so.
2. Yakut TESOL is interested in teachers' exchanges (university level) where 3-5 English teachers from Yakutia can spend a month by attending classes and participate in department routine schedule.
3. Yakut TESOL is interested in sending 2-3 students of university level to Dallas, TX for one semester to take English courses during 2009.
4. Yakut TESOL is looking for the classes of university level in Dallas, TX who can collaborate online in Spring and Fall 2009 with the students from Yakutsk State University.
