OUR TexTESOL Fall Conference

November 6-8 at the Renaissance Dallas Richardson Hotel and Eisemann Center
WAS A RESOUNDING SUCCESS!

Presenters and participants gathered from near and far to share an informative, thought-provoking retreat from the daily pressures of our many tasks.

The Keynote Speakers were Kathleen Kenfield, Nancy Cloud, Sandra Briggs, and Carol Chapelle. Featured Speakers John Segota, Laura Ayala and Georgina Gonzalez updated us on important information at the Federal and State levels.

Featured as Publisher Presenters were Gretchen Bernabei, Keith Folse, and Carolyn Graham.

Keynote and Featured Speakers also conducted follow-up/prelude breakout sessions.

Rose-Mary Rumbley provided regional humor as the Awards Luncheon Speaker.

Nearly one hundred concurrent Demonstration, Paper, Workshop, and Colloquium sessions were enthusiastically received by the participants.

Three Pre-Conference Institutes offered by Mary Peacock and Diana Urrutia, by Gretchen Bernabei, and by Leslie Neal were enjoyed by participants who enrolled to attend these workshops.

Over thirty vendors provided exhibits at the conference and TexTESOL V gratefully acknowledges the support of these Corporate Sponsors: Pearson/Longman, Santillana USA Publishing, National Geographic School Publishing/Hampton Brown, Heinle Cengage Learning, and Oxford University Press.

A summary of reviews of the "favorites" among sessions our Board members attended will be posted on the website and linked to the Winter Newsletter.
